COMMUNITY

PRAYER CORNER "Some trust in chariots and some in horses, but we trust in the name of the LORD our God." (Psalm 20:7)

- **Pray for God to show us the way forward in our fight against the COVID-19 pandemic.** Pray for vaccines to be made available to both the rich and the poor as soon as possible, and that they will be effective against new variants of the virus. Pray for countries still facing challenges controlling the pandemic, that God will grant them grace and mercy to care for the people requiring medical help. Pray that as more people are vaccinated, more lives and jobs will be saved around the world.
- **Praise God for our government's plan to accelerate the vaccination of our local population.** Pray for God to guide our multi-ministry task force on how we manage the pandemic moving forward if COVID-19 becomes endemic and we need to live with the virus, just like the flu and chicken pox viruses.
- **Praise God for allowing us to worship on-site once again starting this week.** Pray for God's protection for both our on-site congregation and duty personnel as we obey God's call to meet together (Heb 10:24-25). Pray that every HPC member and worshipper will be excited about coming back to church for worship and fellowship in groups of 50 till the COVID situation in Singapore improves, which will allow more of us to worship together every Sunday.

ANNOUNCEMENTS

REGISTRATION FOR SUNDAY SERVICES UNDER PHASE THREE (HEIGHTENED ALERT) With new regulations announced by the government, our congregation is ready to resume in-person services this Sunday. Despite the limit of 50 attendees, it is still possible with everybody taking turns according to the schedule below. There are just a few points for us to note as we make our registration via Eventbrite to attend the service in-person:

- 1) We can register for Sunday service on any Sunday of the month, but priority will be given to the CGs that are scheduled to attend for that Sunday.
- 2) CGLs of CGs that are scheduled for a particular Sunday will be sent the registration link, which should be disseminated to their members who could then register for themselves and their families.
- 3) This priority for CGs to register ends on Friday every week, after which the Eventbrite registration on the church website will be open for anybody to register.
- 4) Those whose CGs are not in the schedule below or are not in any CG are free to either register personally or with their families for any of the Sundays when registration is opened after every Friday. There is no schedule for priority on the 5th Sunday.
- 5) Here is the registration link for this Sunday's worship service: <https://www.eventbrite.com/e/160921920797>
- 6) The Children's programme will not be held in-person.
